RE: Account ending 3319 - Important: Please Contact Us

Dear Ms. Pryzbylski,

Our fraud-prevention team has identified a pattern of activity on your checking account ending 3319 that differs significantly from the account's historical use, including recurring high-value ATM cash withdrawals and repeating transfers to a third-party account.

We ask that you contact us, or visit the East Side Branch with photo identification, within ten (10) business days of the date of this letter so that we may verify this activity with you directly. If we are unable to verify the activity with you, the bank may place a temporary hold on some or all transactions on the account while we complete our review.

Please be aware that Minnesota law requires financial institution employees to report suspected financial exploitation of a vulnerable adult to the Minnesota Adult Abuse Reporting Center (MAARC), and permits the bank to share relevant records with adult protective services and law enforcement in connection with such a report.

You may reach our fraud-prevention team at (651) 555-0173, Monday through Friday, 8:30 a.m. to 5:00 p.m. Please bring this letter with you if you visit the branch.

Sincerely,

/s/ Marcus Yang
