RE: Separation of Employment

Dear Gideon,

This letter confirms that your employment with Tri-State Fulfillment Group, Inc. ends effective today, May 22, 2026.

Employment records:

Position: Picker I, Outbound Operations
Hire date: August 11, 2022
Status: Unpaid personal leave of absence since April 6, 2026

As stated in our April 6, 2026 correspondence, your leave was contingent on a return to full duty with no restrictions by May 22, 2026. Because you remain unable to perform the essential functions of the Picker I position, your employment is terminated as of the date above.

Your final pay, including any accrued unused PTO, will be issued on the next regular pay date. COBRA continuation-of-coverage materials will be mailed to you separately by our benefits administrator.

Please return your badge, scanner gun, and any other Company property to the security desk within five (5) business days.

We wish you the best in your future endeavors.

Sincerely,

/s/ Melissa Grunwald
