General

| Impact of Supervised Visitation

Claim Type: discovered | **Confidence:** 73%

ISSUE

Understanding the context and limitations of supervised visitation could help in addressing the immediate custody concerns and focusing on the children's best interests.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Impact of Supervised Visitation' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Lack of procedural guidelines regarding how supervised visitation impacts custody decisions and assessments.

CONCLUSION

No elements defined

| **Impact of Threatening Texts**

Claim Type: discovered | **Confidence:** 70%

ISSUE

The existence of threatening texts can be important evidence of Corey's aggressive behavior and mindset, potentially influencing custody decisions.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Impact of Threatening Texts' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): No details on the evidentiary requirements for admitting threatening texts as evidence in court.

CONCLUSION

No elements defined

| Lack of Legal Representation and Implications

Claim Type: discovered | **Confidence:** 75%

ISSUE

Not having legal representation could compromise their defense in the custody issue, as well as the response to claims made by Corey. It's crucial to explore options for affordable legal aid or resources.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Lack of Legal Representation and Implications' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Missing information on potential implications of proceeding without legal representation and available alternatives for legal aid.

CONCLUSION

No elements defined

| Legal Aid Resources

Claim Type: discovered | **Confidence:** 90%

ISSUE

Understanding available legal assistance can empower the consumer to better navigate the custody process even without personal financial resources.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Legal Aid Resources' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Lack of clarity on the eligibility criteria for accessing legal aid resources relevant to these claims.

CONCLUSION

No elements defined

| Modification of Custody Arrangement

Claim Type: discovered | **Confidence:** 80%

ISSUE

If Corey's actions demonstrate potential harm to the children, there may be grounds to seek a modification of custody to better protect their wellbeing.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Modification of Custody Arrangement' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Missing the necessary procedural requirements and burden of proof for modifying custody arrangements.

CONCLUSION

No elements defined

| Need for a Restraining Order

Claim Type: discovered | **Confidence:** 80%

ISSUE

Given the documented threats and the alleged assault, pursuing a restraining order may be important in establishing the risk associated with Corey and in influencing custody arrangements.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Need for a Restraining Order' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Missing specific procedural requirements for demonstrating imminent danger when seeking a restraining order.

CONCLUSION

No elements defined

| Parental Alienation

Claim Type: discovered | **Confidence:** 75%

ISSUE

The threatening behavior and control issues demonstrated by Corey could be viewed as attempts to alienate the children from their other parent, which is a serious consideration in custody cases.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Parental Alienation' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Potential oversight in providing sufficient evidence or documentation to substantiate claims of parental alienation according to jurisdictional requirements.

CONCLUSION

No elements defined

| **Parental Alienation Concerns**

Claim Type: discovered | **Confidence:** 70%

ISSUE

The language used by Corey could suggest behaviors that alienate the children from their primary caregiver, which is a critical consideration in custody decisions.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Parental Alienation Concerns' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): No guidelines on filing a claim regarding parental alienation and any associated deadlines for such claims.

CONCLUSION

No elements defined

| **Potential Child Endangerment**

Claim Type: discovered | **Confidence:** 85%

ISSUE

The physical altercation and its psychological impact on the children could be viewed as child endangerment, potentially influencing the custody arrangement.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Potential Child Endangerment' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Lacks details on mandatory reporting obligations and the timeline for reporting potential endangerment situations.

CONCLUSION

No elements defined

| Psychological Evaluation

Claim Type: discovered | **Confidence:** 65%

ISSUE

Given the circumstances, the court might consider evaluations to assess parental fitness and the emotional impact of the situation on the children.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Psychological Evaluation' has not been explored with fact mappings
- **Procedural Requirement** (Priority 50): Missing information on procedural steps to request a psychological evaluation in custody disputes.

CONCLUSION

No elements defined

| Restraining Order

Claim Type: discovered | **Confidence:** 85%

ISSUE

Given the bruise and threatening behavior, there may be grounds for a restraining order to protect the consumer from further harm and ensure the safety of the children.

RULE

No authorities identified for this claim.

APPLICATION

No elements defined for this claim.

GAPS & OPEN QUESTIONS

- **Unexplored Claim** (Priority 50): Potential claim 'Restraining Order' has not been explored with fact mappings

- **Procedural Requirement** (Priority 50): Lack of information on the procedural steps required to file for a restraining order effectively.

CONCLUSION

No elements defined

state

| Child Custody Dispute

Claim Type: identified | **Confidence:** 100%

ISSUE

The facts outline an ongoing custody dispute, with Corey seeking full custody and requesting supervised visitation for the consumer.

RULE

No authorities identified for this claim.

APPLICATION

- **Best Interests of the Child:** Supported (85% confidence) - The court will make decisions based on what is in the best interest of the children, considering their emotional and physical well-being.
 - Fact: We have a child named Miles who is 7 years old. (85% match)
 - Fact: We have a child named Ava who just turned 4. (85% match)

- **Current Custodial Arrangement:** Supported (85% confidence) - The existing custody arrangement will be evaluated to determine if it meets the children's needs.
 - Fact: We were never married. (85% match)
 - Fact: I have the children 90% of the time. (85% match)
 - Fact: Corey gets the children every other weekend. (85% match)
- **Parental Fitness:** Supported (85% confidence) - Both parents' abilities to care for the children will be assessed, including any incidents of abuse or neglect.
 - Fact: Corey wants full custody. (85% match)

CONCLUSION

3 of 3 elements supported (85% confidence)

| Domestic Violence

Claim Type: discovered | **Confidence:** 85%

ISSUE

The incident where Corey grabbed the consumer's arm, leaving a bruise, along with the threatening texts and behavior, suggest potential domestic violence issues.

RULE

No authorities identified for this claim.

APPLICATION

- **Physical Harm:** Supported (83% confidence) - There must be evidence of physical harm or threat of harm.
 - Fact: I would only get supervised time with my own kids. (83% match)
 - Fact: Corey grabbed my arm so hard he left a bruise. (82% match)

- **Pattern of Abuse:** Supported (79% confidence) - Evidence of a pattern of abusive behavior that instills fear or control.
 - Fact: Corey was screaming that if I 'tried anything' with the custody case he'd take the kids and I'd 'never see them again.' (79% match)
- **Impact on the Victim:** Supported (78% confidence) - Demonstration of how the abuse impacts the victim's safety and mental well-being.
 - Fact: Miles was crying in his room during the incident. (78% match)
 - Fact: Ava kept asking if daddy was mad at her during the incident. (78% match)

CONCLUSION

3 of 3 elements supported (80% confidence)

| Threatening Behavior

Claim Type: discovered | **Confidence:** 80%

ISSUE

Corey's threatening communications indicate possible harassment or intimidation which may be actionable.

RULE

No authorities identified for this claim.

APPLICATION

- **Intent:** Unsupported - The perpetrator's intent to intimidate or harass the victim.

- **Communication of Threat:** Supported (75% confidence) - The presence of written or verbal threats intending to cause fear or harm.
 - Fact: Corey has texted me a bunch since the incident, some kind of threatening stuff. (75% match)
- **Victim's Perception:** Supported (75% confidence) - The victim's perception of the threat as credible and causing emotional distress.
 - Fact: I have saved the threatening texts from Corey. (75% match)

GAPS & OPEN QUESTIONS

- **Unsupported Element** (Priority 80): Element 'Intent' is not yet supported by any facts
 - Element: Intent
- **Procedural Requirement** (Priority 50): Insufficient evidence or documentation to support the claim regarding threatening behavior may be required by the court for consideration.

CONCLUSION

Open Questions

1. What evidence do we have to show the other party's intent in this situation?

2. Have we considered the impact of parental alienation on the child's relationship with both parents?
3. What potential risks or threats should we consider that might require a restraining order?
4. What changes would we like to see made to the current custody arrangement?
5. Have we documented any threatening texts and their impact on the situation?
6. What are the specific deadlines for filing child custody disputes in our area?
7. What is the deadline for filing a domestic violence claim in our jurisdiction?
8. What steps do I need to follow to file for a restraining order successfully?
9. What do I need to prove to modify the custody arrangement?
10. What types of evidence can I use to show the threats in texts?
11. Can you provide specific examples or situations that show how your child's best interests are being impacted? This will help us support the element 'Best Interests of the Child' which is currently not backed by facts.
12. Can you describe any intentions or motivations related to your case that might clarify the element of 'Intent'? We're currently missing supporting facts here.
13. How do you perceive your situation as a victim? Sharing your perspective can help us address the unsupported element of 'Victim's Perception'.
14. Have you experienced any situations that could be classified as parental alienation? We need to explore this potential claim further.
15. Have you considered the possibility of needing a restraining order? We need to explore this claim as it hasn't been mapped yet.

16. What changes to your custody arrangement do you think are necessary? We need to explore the potential claim for modifying custody arrangements.
17. Can you share any instances of threatening texts you've received? We need more facts to explore the potential claim regarding the impact of these texts.
18. Are you aware of any legal aid resources that could assist you? Exploring this potential claim could provide much-needed support.
19. Have you thought about undergoing a psychological evaluation? We need to explore this potential claim further.
20. Do you have any concerns about child endangerment in your situation? We need to delve into this potential claim more.
21. Do you feel you have adequate legal representation for your case? We need to understand this claim further as it hasn't been explored.
22. Do you think a restraining order would benefit you? We need to confirm if this needs further exploration as a potential claim.
23. Do you have specific concerns about parental alienation affecting your relationship with your child? We should explore this potential claim.
24. How have visits been structured for your child? We need to explore the impact of supervised visitation on custody outcomes.
25. Do you know the deadlines for filing custody disputes in your area? It's important for ensuring we apply within the required timeframe.
26. Are you familiar with the time limits for filing domestic violence claims in your jurisdiction? We need to ensure all potential claims are filed properly and on time.
27. What steps do you know of for filing a restraining order? We need to clarify how to effectively pursue this action.
28. Do you know what is needed to modify your custody arrangement legally? We need to understand the requirements for this process.

29. Have you retained any evidence, such as threatening texts, for your case? We need to understand the requirements for presenting this as evidence.
30. Do you know the criteria for getting legal aid in your situation? It's important to understand eligibility for resources available.
31. Do you know how to request a psychological evaluation in custody disputes? We need to understand the steps involved to navigate this properly.
32. Can you describe the steps to demonstrate imminent danger when seeking a restraining order? We need to clarify the requirements for this claim.
33. What do you know about how supervised visitation can influence custody decisions? We need to clarify procedural guidelines regarding its impact.
34. Do you know about the mandatory reporting obligations if there is potential child endangerment? It's crucial to be timed and precise.
35. Do you know the procedure for filing a claim regarding parental alienation? We need to ensure we understand the process and any associated deadlines.
36. What specific actions led you to believe there was intent behind the behavior mentioned? Can you describe those situations?
37. How do you feel this situation affected you personally? Can you provide details on how it impacted your perception?
38. What do you believe is in the best interest of your child in this situation? What facts support your view?
39. Have you noticed changes in your child's behavior towards the other parent? Can you give specific examples?
40. What specific concerns do you have about your current custody arrangement? Are there any incidents that support a need for modification?
41. Can you share any troubling messages or texts you've received that made you feel unsafe?

42. What specific threats have you experienced that lead you to consider a restraining order?
43. What do you know about the deadlines for filing a custody dispute? Have you received any documentation on this?
44. Have you looked into what legal aid options are available to you? What challenges are you facing in accessing these resources?
45. What specific facts and circumstances can you provide to support the claim about what is best for the child?
46. Can you clarify your intentions regarding the current situation?
47. How do you perceive the actions that have taken place?
48. Have you experienced or observed any behavior that you believe could be classified as parental alienation?
49. What evidence do you have to support your concerns about parental alienation?
50. What specific threats or behaviors have you observed that could warrant a restraining order?
51. Do you know the steps and documents required to file for a restraining order?
52. Have there been specific changes in circumstances that you believe justify modifying the current custody arrangement?
53. What evidence do you have regarding potential endangerment of the child related to custody?
54. Are you familiar with the legal aid resources available to assist with your situation?
55. What concerns do you have about proceeding without a lawyer?
56. Do you have copies of any threatening messages that could support your claims?
57. Are you aware of how to properly present text messages as evidence in court?
58. Can you provide more information about how your child's best interests are being considered in this situation?

59. What can you tell us about your intentions during this conflict?
Were there specific reasons behind your actions?
60. How do you feel about the situation? What is your personal perspective on the events that transpired?
61. Have there been instances where you felt you were being pushed away from your child? Can you describe those moments?
62. What specific evidence can you provide to show that parental alienation has occurred?
63. What specific threats or behaviors did you experience that might warrant a restraining order?
64. What steps have you taken to seek a restraining order, and do you know what you need to prove for it?
65. Are there aspects of your current custody arrangement that you believe need to be changed? Why do you feel this way?
66. What information do you have regarding the requirements to change your custody agreement?
67. Can you share any specific examples of threatening communication you've received?
68. Do you know the process for using threatening texts as evidence in court? What have you been told?
69. Have you considered seeking legal assistance, and do you know how to find resources available for representation?
70. What do you know about legal aid options that might be available to you?
71. What specific facts can we provide to show what is in the 'Best Interests of the Child' based on our case?
72. Can we gather evidence to support the claim of 'Parental Fitness' to ensure all views are accurately represented?
73. What documentation do we need to demonstrate 'Pattern of Abuse' in our case?
74. What specific steps do we need to take to file for a restraining order effectively?

75. How can we provide evidence of threatening texts that will be considered valid in court?
76. What information is necessary to establish that we are in 'imminent danger' when seeking a restraining order?
77. Have we explored the possibility of making a claim for 'Parental Alienation' with the necessary supporting facts?
78. What criteria do we need to meet to access legal aid resources for our case?
79. What are the procedural steps to request a psychological evaluation, and why might it be important for our situation?
80. What are the potential implications if we proceed with our case without legal representation?
81. What should we do if there are ongoing threats, and how can we ensure our safety is prioritized?
82. What specific facts can support the element 'Best Interests of the Child' in my case?
83. What evidence do we have or need to demonstrate 'Parental Fitness' in this situation?
84. How can we support the element of 'Intent' in this case with specific examples or evidence?
85. What details can support the 'Victim's Perception' element in this case?
86. What information do we have about potential claims like 'Parental Alienation' that could strengthen our case?
87. Have we looked into the potential need for a 'Restraining Order' and what that would entail?
88. What are the steps for modifying the custody arrangement if needed?
89. What impact can threatening texts have on our case and how should we present them?
90. What resources are available for legal aid, and how can we access them?

91. What are the specific filing deadlines we should be aware of for our custody dispute?
92. What are the steps and requirements to file a restraining order in our situation?
93. What information do we need to demonstrate if we want to modify the custody arrangement?
94. What evidence is required to submit threatening texts into evidence effectively?
95. What are the eligibility criteria to access legal aid resources for these claims?
96. What specific facts support the 'Best Interests of the Child' element in this case?
97. How is 'Parental Fitness' being evaluated in this situation?
98. What evidence do we have regarding the 'Intent' of the individual involved?
99. How is the 'Victim's Perception' of the situation being considered in this case?
100. Have we thoroughly explored the possibility of a 'Parental Alienation' claim, and what facts support it?
101. What steps are necessary to file for a 'Restraining Order' based on the current facts?
102. How would we establish a claim regarding 'Potential Child Endangerment'?
103. What are the specific filing deadlines for child custody disputes in this jurisdiction?
104. What steps do we need to take to obtain a psychological evaluation in this custody dispute?
105. What are the requirements for successfully demonstrating immediate danger when seeking a restraining order?
106. What specific facts can we gather to demonstrate what is in the child's best interests?
107. Can you share any specific incidents or communications that show intent behind actions related to this case?

108. How does the victim feel about the situation? Are there specific thoughts or emotions that can be shared?
109. Have there been any changes in the relationship with the child that might indicate parental alienation?
110. Have there been any threats communicated via text, and can we document them for potential claims?
111. What instances can we provide to show a need for a restraining order?
112. Are there any previous custody arrangements that may need to be modified? What evidence supports this?
113. What are the specific deadlines we need to be aware of for filing child custody disputes in our area?
114. What are the steps we need to take to gather evidence for a restraining order?
115. Do we have the necessary documents to support claims of parental alienation? If not, what do we need?
116. How do we apply for legal aid, and what criteria must we meet?
117. What specific facts can we gather to demonstrate what is in the best interests of the child?
118. What actions or statements could help clarify the intent behind the parties' behaviors?
119. How does the victim perceive the situation and what evidence do they have to support their feelings?
120. Have we explored any claims related to parental alienation and what evidence do we have to support that?
121. What do we know about filing a restraining order and how does it relate to current claims?
122. How might a modification of custody arrangement help improve the situation, and what evidence is needed?
123. Have we examined the impact of threatening texts in this situation, and what supporting evidence can we gather?
124. What resources are available for legal aid that could help in addressing these claims?

125. Is there a need for a psychological evaluation for any parties involved, and what would that involve?
126. Is there any concern regarding potential child endangerment, and what evidence do we need to address this?
127. What are the implications of proceeding without legal representation in this case?
128. How could the lack of a restraining order affect the current situation?
129. What specific concerns do we have about parental alienation in this case?
130. How does supervised visitation impact the existing custody arrangement, and what are the relevant details?
131. What are the specific deadlines for filing custody disputes in this jurisdiction?
132. What is the statute of limitations for filing domestic violence claims in this area?
133. What are the steps required to effectively file for a restraining order?
134. What evidence do we need to modify a custody arrangement, and what steps are involved?
135. What criteria allow threatening texts to be admitted as evidence in court?
136. What are the eligibility requirements for accessing legal aid resources in this case?
137. What steps do we need to take to request a psychological evaluation in custody matters?
138. What are the requirements for showing imminent danger when applying for a restraining order?
139. How does behavior during supervised visitation affect custody decisions?
140. What are the reporting obligations if there is a suspected child endangerment situation, and when must these be reported?

141. What guidelines do we need to follow when filing a claim regarding parental alienation?
142. What evidence do we need to support claims of parental alienation according to jurisdictional requirements?
143. What are the implications of proceeding without legal representation, and what alternatives are available?
144. What evidence is needed to support claims of threatening behavior, and what documentation should we gather?
145. What proactive steps should we take if there are ongoing threats?
